

The background is a collage of various vintage maps and a paper airplane. The maps are torn and layered, showing different geographical regions and historical styles. A small paper airplane is positioned to the right of the title. The title itself is written in a large, hand-drawn, brown font with a white outline. The words are arranged in three lines: 'JOB', 'SHADOWING', and 'FLORENCIA'. There are also some small, dark brown brushstrokes or lines around the title, particularly on the left and right sides.

JOB SHADOWING FLORENCIA
